SALE Mission: "A volunteer organization that emphasizes agriculture and education to Develop the youth of Texas."

Also known as San Antonio Livestock Exposition, Inc. (S.A.L.E.) has grown to one of the largest, most prestigious single events in the city of San Antonio, with over two million visitors entering the grounds each year. The success of S.A.L.E. is attributed to over 6,000 volunteers that give countless hours to the organization. With community, donor and volunteer support, the organization has donated more than \$186 million to the youth of Texas through scholarships, grants, endowments, junior livestock auctions, youth western art auction, calf scramble program and show premiums.

S.A.L.E. History

In 1854, in an emerging Texas cattle town, history was made when one of the first ever Texas Agricultural Fairs was held in San Antonio. In the following years, many other fairs and expositions came to San Antonio and all encountered the same problem, inadequate facilities to accommodate their needs. It was evident South Texas was in dire need of facilities to serve as a showplace for a livestock exposition.

This cry for greater accommodations was heard in the early 1940s by Joe Freeman, the man who began the movement which eventually gave birth to the Joe and Harry Freeman Coliseum. Freeman's two prime interests were youth and the agricultural and livestock industries. His dream was to build a coliseum to be used for a number of events, but specifically, a livestock exposition for the youth of Texas. After assembling a number of volunteers, ranging from cattlemen to sports-minded citizens, the movement began to construct this multi-purpose coliseum. The years of gathering support and money paid off when construction began in January of 1948.

- **1949** In September, the Joe and Harry Freeman Coliseum was opened to the public.
- **1950** On February 17, the first Annual San Antonio Stock Show & Rodeo was held. The first exposition met with unparalleled success, entertaining more than a quarter of a million visitors, an unheard of record for an opening show.
- **1984** The San Antonio Stock Show & Rodeo Executive Committee began to discuss the encouragement of 4-H and FFA high school students, to continue their interest in the agriculture industry by majoring in agricultural related studies in college. The San Antonio Livestock Exposition, Inc. was established awarding fifteen, four-year scholarships totaling \$90,000 to students entering Texas colleges in the fall of 1984.
- **1999** The San Antonio Stock Show & Rodeo Hall of Fame was founded. Joe Freeman, Harry Freeman and Mary Nan West were the first inductees.
- **2003** Another milestone year in the history of the San Antonio Stock Show & Rodeo. For the first time since 1950, the rodeo and concert performance was not held in the Freeman Coliseum but in a brand new, state of the art facility, the SBC Center, located right next door. (The SBC Center is now known as the AT&T Center) The SBC Center, a first class arena with outstanding amenities, provided over 6,000 more seats than were previously available in the Freeman Coliseum. The Freeman Coliseum is now one of several climate controlled retail shopping areas featuring a wide variety of products that include fine art, clothing, jewelry, furniture, food and other unique items.
- **2005** The San Antonio Stock Show & Rodeo was awarded Large Indoor Rodeo of the Year by the PRCA for the first time.
- **2008** The San Antonio Stock Show & Rodeo was recognized by the PRCA Hall of Fame.
- **2018** To date, the San Antonio Stock Show & Rodeo educational commitment exceeds \$198 million with \$12 million committed in 2018 in the form of scholarships, grants, endowments, junior livestock auctions, youth western art auction, calf scramble program and show premiums.

The success of the event, positive impact on the community, world class rodeo action and entertainment and ability to provide financial support to Texas youth is the result of many hours of hard work by committed San Antonio Stock Show & Rodeo volunteers.

The San Antonio Stock Show & Rodeo has a rich tradition and history of stewardship to the community, agriculture industry and youth of Texas. With a clear vision of the future, a successful past and continual dedication from over 6,000 volunteers, The San Antonio Stock Show & Rodeo will continue to provide wholesome family entertainment and be a pillar of strength and support to the youth of Texas.

TERMS & CONDITIONS OF SALE

- 1. LAW.** The horses are offered for sale according to the laws of the State of Texas.
- 2. BIDDING DISPUTES.** The highest bidder will be the buyer, and if dispute arises between two or more bidders, the horse in dispute shall immediately be put up again for advance bids. If there be no advance, the horse shall go to the person from whom the auctioneer recognized the last bid. The auctioneer will decline any bid made by parties who have DEFAULTED in former purchases, or by persons who, in his judgment are not responsible bidders. Immediately after horse is sold, the buyer shall sign confirmation of purchase and security agreement forthwith. The right to bid is reserved by all sellers and sellers' agents.
- 3. BUYER'S PAYMENT.** Terms of sale are cash (U.S. funds only) to be paid on the day of the sale. Method of payment shall be Cash, Cashier's Check, Travelers Checks or pre-approved Personalized Bank Check which has been verified drawn on U.S. bank and approved in advance by Segraves and Associates. A 3.5% office processing fee will be added to all purchases (however, this fee will be discounted for purchases paid for by Cash, Cashier's Check or Personal Check.) All registration papers will be retained by the Sale Management until such checks clear the paying institution. Foreign buyers must pay with money orders, U.S. cash currency or personalized bank checks from a United States Bank. Bank drafts will not be accepted. (See CHECK LIABILITY clause below). All payments must be made payable to Segraves and Associates. Any payment made by the buyer to the consignor or any other party will not be regarded as valid or entitle the buyer to delivery or title of the horse. All horses must be paid for in this manner regardless of whether they sell in the auction sale ring or on the auction grounds.
- 4. GATE RELEASE.** Upon payment by the buyer to the Sale Cashier, and only the Sale Cashier, the Cashier will issue an order to Buyer which will release the horse from the auction grounds. Buyers are cautioned not to lose this release as it permits holder to pass through the exit gate of the auction grounds with the horse.
- 5. LIMITED WARRANTIES.** With respect to any and all warranties, Dale Segraves and Associates, auctioneers and clerks do not represent the Buyer or Consignor, but merely provide a medium for bringing together the Buyer and Consignor for the purpose of sale transactions. All responsibilities and guarantees lie solely between Buyer and Consignor. Except as otherwise announced by the auctioneer at time of sale, the Consignor represents and warrants unto Buyer as follows: (1) the horse is free of functional deficiencies with respect to eyes and wind, (2) the horse is not a "cribber" (windsucker), (3) the horse has not been nerved, (4) the sex or condition of a gelding or ridgeling is as described in the catalog, (5) a colt or stallion at least 18 months of age does possess, at time of sale, two testes descended to the scrotum, (6) title to the horse is free from all adverse claims of ownership, use or possession, and (7) the condition known as Hyperkalemic Periodic Paralysis (HYPP) is as stated or announced at time of sale and no statement or announcement means that the consignor has not disclosed to the sale management whether the horse has been HYPP tested or not, nor the results of such test. All descendants of the AQHA Stallion, IMPRESSIVE, sell "as is"; and the buyer is responsible for obtaining pedigree information not supplied in the Sale Catalog. Except for the foregoing limited warranties, each horse is sold by the Consignor without warranty and as is, with all faults. Every horse will be sold under this rule. There is no guarantee with respect to the physical condition, health, disposition, use or intended use of any horse in this sale other than the limited warranties by Consignor as set out above. A recorded tape will be made of the entire auction which shall be used to settle disputes regarding statements made about horses while in the auction ring. If a dispute arises between Buyer and Consignor, then the recorded tape will be used to settle the dispute.
- 6. TITLE.** Title to and risk of loss passes from Consignor to Buyer upon Buyer's signature of confirmation of purchase immediately after the horse is struck down by the auctioneer.
- 7. CARE OF HORSES.** Effective from the time of purchase, the Buyer assumes all responsibility for the maintenance and proper care of the horse. No inhumane treatment, abuse or neglect of any horse will be permitted while horse is on the auction grounds.
- 8. RISK OF LOSS.** Risk of loss passes from Consignor to the Buyer upon Buyer's signature of confirmation of purchase immediately after the horse is struck down by the auctioneer. This shall especially be the condition in the case of illness, injury or death of any horse after it has been sold. The Buyer agrees to indemnify and hold the Consignor and Dale Segraves and Associates harmless from all loss, cost and expense arising from the illness, injury or death of a horse or loss or damage to property and injury or death of persons caused by the Buyer, the Buyer's agents or employees, or by the horse after horse has been purchased.
- 9. REMOVAL OF HORSES.** All horses must be removed from the auction sale grounds by 9:00 a.m. on the following day. Failure to remove the horse for any reason will obligate the Buyer to pay all costs associated with board and transportation of the horse.
- 10. CATALOG ERRORS.** Every effort has been made to assure correctness of the sale catalog. However, the sale management, auctioneers and announcers are not responsible for errors or omissions, and assume no liability on its part or on the part of Consignors as to any statements made by the Consignor which are printed in the catalog on behalf of Consignor. When errors or omissions are brought to the attention of the sale management, auctioneers or announcers, or when such errors or omissions are discovered by the sale management, announcements will be made to correct such errors or omissions. Buyer's are cautioned to pay close attention to these announcements made by the auctioneer or announcer at time of sale as these announcements will take precedence over the printed matter in the sale catalog. A recorded tape will be made of the entire auction to fully document these announcements.
- 11. BROODMARES.** Broodmares represented by the Consignor to be in foal are subject to a palpation exam, at Buyer's request and arrangement, on the mare's exit from the sale ring. Any palpation exams must be performed prior to the removal of the mare from the sale grounds. Removal of the mare from the sale grounds constitutes acceptance of the mare and the buyer accepts the mare as is. Any broodmare so examined with a pregnancy status found not to be as represented at time of sale may be returned to the Consignor as unsold and Consignor shall pay the Veterinarian's fee for the examination. The Buyer will pay for the examination if the mare is found to be as she was represented through the sale. Mares represented as "exposed" or pregnant, but not advanced far enough in gestation to be pronounced safe in foal, are not guaranteed pregnant. Unless otherwise announced at time of sale, any return privileges or any other agreements, written or otherwise, that exist between the owner of the covering stallion and the Consignor will terminate at time of sale and not transfer to the Buyer. This shall especially be the condition with respect to, but not limited to, any live foal guarantees, abortion of the foal in utero either by natural causes or otherwise, or refund of any stallion service fees, mare care fees, chute fees, or veterinarian fees.
- 12. REGISTRATION CERTIFICATES AND TRANSFER.** All registration certificates and transfer reports will be held by sale management for a minimum of fifteen (15) banking days from the date of sale or until Buyer's check clears the drawee bank and becomes unconditional credit, whichever is later. Registration certificates and transfers will then be sent to the appropriate breed registry for recording the transfer of ownership into the Buyer's name. Buyer's will receive the Registration Certificate from the breed registry. Consignor will be responsible for the transfer fee. Buyer to be responsible for any membership fees required by breed association or any additional transfer fee required for non-members.
- 13. CAUTION.** Everyone attending this sale agrees to save and hold harmless and indemnify Dale Segraves and Associates (the Sale Management Company), its agents, employees or servants, from and against any and all liability, debt, claims, suits, losses, damages, causes of action, judgments, costs and expenses, including attorneys' fees, arising or allegedly arising from personal injury or death of any person or horse, including but not limited to employees of the Consignor or Buyer, property damage, including loss of use thereof, economical loss or otherwise, arising or growing out of the use of any of the facilities in connection with the auction sale due in any manner to the negligence or intentional acts of the Consignor, Buyer or Spectator any of their employees, agents or servants in the performance of any act, error, omission or negligence of the Sale Management Company occurring concurrently with that of the Consignor, Buyer or Spectator contributing to any loss indemnified hereunder, except for the sole negligence or willful misconduct of the Sale Management Company.

THE 2019 RANCH GELDING COMPETITION

All geldings entered in the show & sale will be required to perform and be judged on their ability to do certain tasks that are routinely associated with ranch work. This competition will be carried out before an audience of prospective buyers which will be making their selections for the auction which will follow the competition awards presentation approximately 2-3 pm on Saturday, February 16th. The 1st go of the competition will begin at 2:00 p.m. on Friday afternoon, February 15th with a Final Go of the Top 10 held Saturday morning, February 16th at 8:00 a.m.

Although the competition and judging is in fact a "show", it is unlike that of any other AQHA approved event. It is in fact a series of maneuvers which the ranch horse must perform everyday. These maneuvers are as follows:

1. Each gelding will enter the arena already bridled and saddled with rope attached to saddle. The rider will enter arena at Gate 1, mounted, and begin Handling Ability (See Diagram on next page).

(1) WALK 15 steps

(2) TROT continuing in straight line, then make 90 degree left turn to center of arena. Stop.

(3) Do three complete 360 degree spins to the left. Hesitate.

(4) Do three complete 360 degree spins to the right. Hesitate.

(5) Begin a lope in the left lead, starting the first circle to the left. Circle should be large demonstrating gelding's normal speed of lope.

(6) Change lead to right lead in center of arena and begin circle to the right. (See diagram)

(7) After changing leads complete this circle to the right, large and at gelding's normal lope speed.

(8) Change lead to left lead in center of arena and begin a large half circle to the left.

(9) Make this half circle to the left, large, normal speed and turn left at the completion of the half circle to begin first run down.

(10) Run down the middle of the arena to the far end of the arena, stop and do a right rollback.

No hesitation after rollback.

(11) Run down the middle of the arena to the opposite end of the arena, stop and do a left rollback. No hesitation after rollback.

(12) Run down the middle of the arena to the far end of the arena and do a sliding stop.

(13) Back up a minimum of fifteen feet. Hesitate.

Cow work begins next.

3. One yearling heifer or steer will be turned into the arena. Cattle draw will be by gate cut. Upon receiving the yearling in the arena, the rider shall hold the yearling (Boxing) on the West end (similar to a cutting horse). Next, the rider shall drive the yearling down the long side of the arena fence, pass, and turn the yearling back the opposite direction (similar to AQHA Working Cowhorse). This last maneuver shall be performed once in each direction.

4. Rope the yearling, dally, drag yearling a minimum of 10 yards, and release dally. (Only two loops will be permitted and loop must pass over the yearling's head.)

5. Rider will TROT or LOPE to South fence to pick up slicker, pick up slicker from fence and drape across saddle, then trot heading East down fence line. At area designated on Diagram, remove slicker from saddle and place on fence. Then proceed to Gate 2, Rider will be judged opening and closing gate from horse's back. Open, pass through and Close Gate. Judging and Clock ends once Gate is closed.

A 6-minute time limit will be allotted to each gelding to perform the above maneuvers.

A panel of two judges, who are all well qualified to judge ranch horses, will score each gelding. The two judges' scores will then be totaled to come up with the composite placings. Awards will consist of cash and prizes totaling \$22,500.00 from 1st thru 10th places. First place, the Champion, will receive a new saddle with the name of the show & sale, and the year stamped on the saddle's stirrup fender. Second thru tenth place will receive a hand-tooled breast collar with the name of the show, sale and year stamped on. (*If all 10 finalists actually sell in auction, then Cash awards will be paid out as detailed below:)

He competed in ranch rodeos, ranch cuttings and many other jackpot ranch horse shows throughout the year where he was very competitive in each event. He has been used exten-

sively on the ranch, pushing cattle, sorting, holding gates, working gates, dragging calves and doctoring in the pasture. He is a very willing gelding. Kids, inexperienced riders or very experienced riders will feel very comfortable on Fives. He has plenty of speed for any direction that someone might take him. Heeling, cow horse events and even barrels or poles, Fives can deliver. He has been my go to horse in 2018.

Matt Nichols is ranch manager on the cow/calf Lone Heron Ranch in Richards, TX. Being on a ranch full time has allowed him to use his horses day in and day out in a great natural environment that allows them to be exposed to a wider range of situations on a consistent basis. From brush, briars, tall grass and logs, to water crossings, bridges, mud, gates, baby calves under their belly's, being pushed around by momma cows in the pens as well as being exposed to roping situations; they become desensitized naturally.
